

Chapitre 32 :
Le début du
Tenkaichi Budokai !!

L'entraînement hyper sévère de Kamé Sennin a finalement commencé !!
Il paraît presque impossible à suivre plus d'une journée tellement les exercices sont durs.

HO
HISSE !

Cinq mois ont déjà passé.
Vont-ils pouvoir participer
au Tenkaichi Budokai ?
Cet espoir est devenu
leur motivation principale.

QUAND EST-CE
QU'IL NOUS
APPRENDRA SES
TECHNIQUES,
TU CROIS ?!

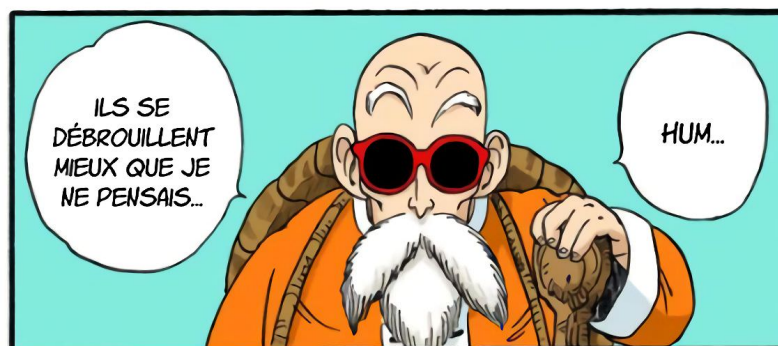

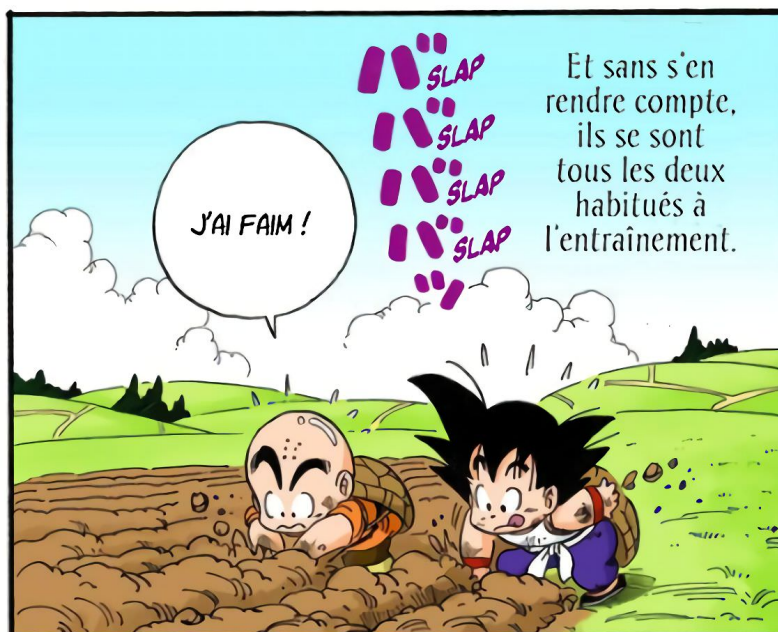

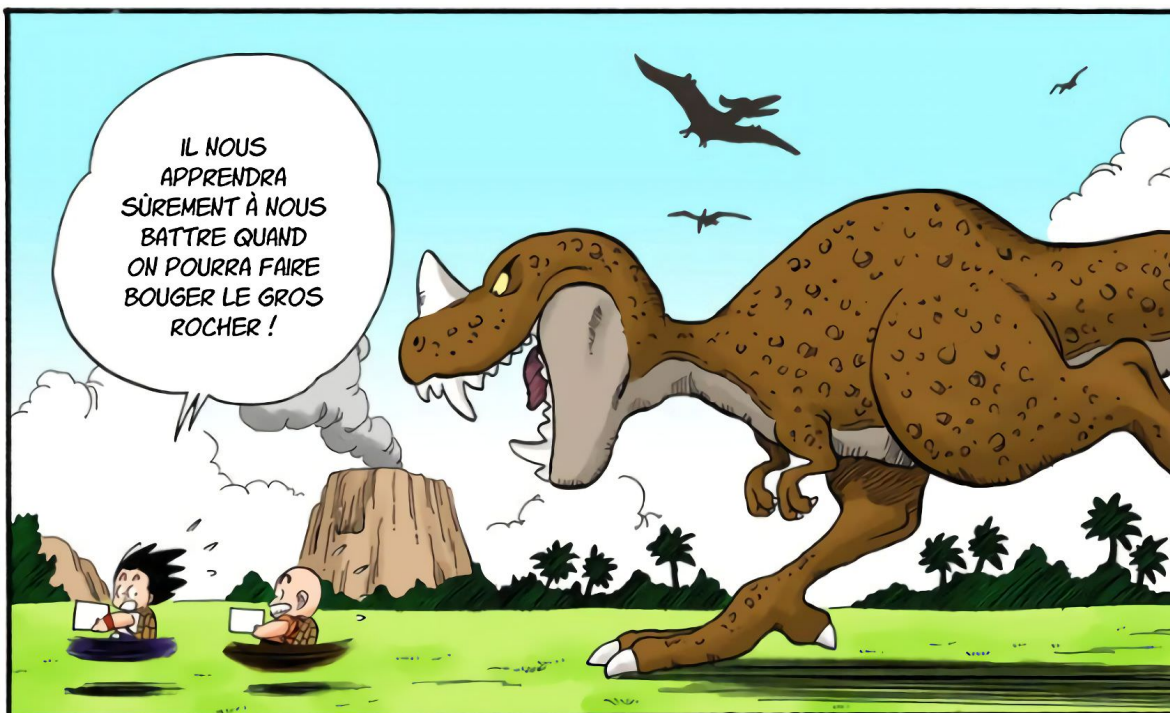

J'EN SAIS
RIEN DU
TOUT !

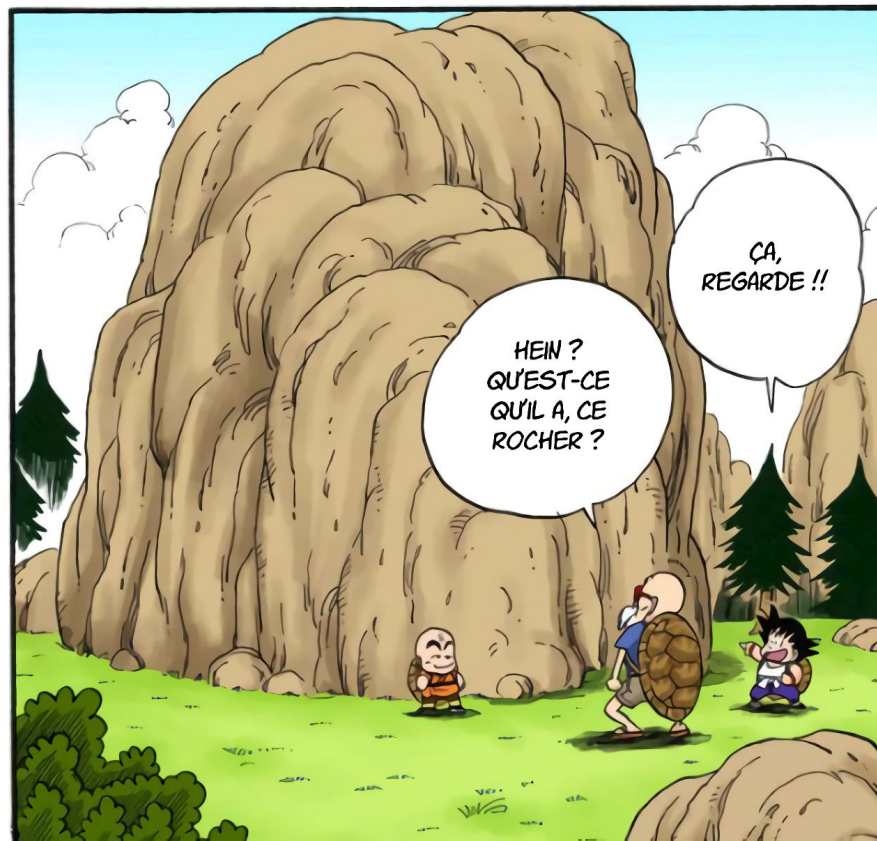

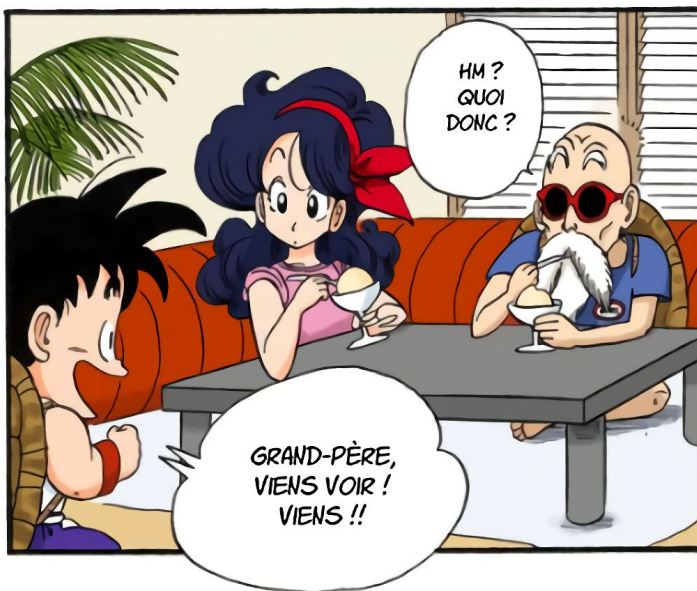

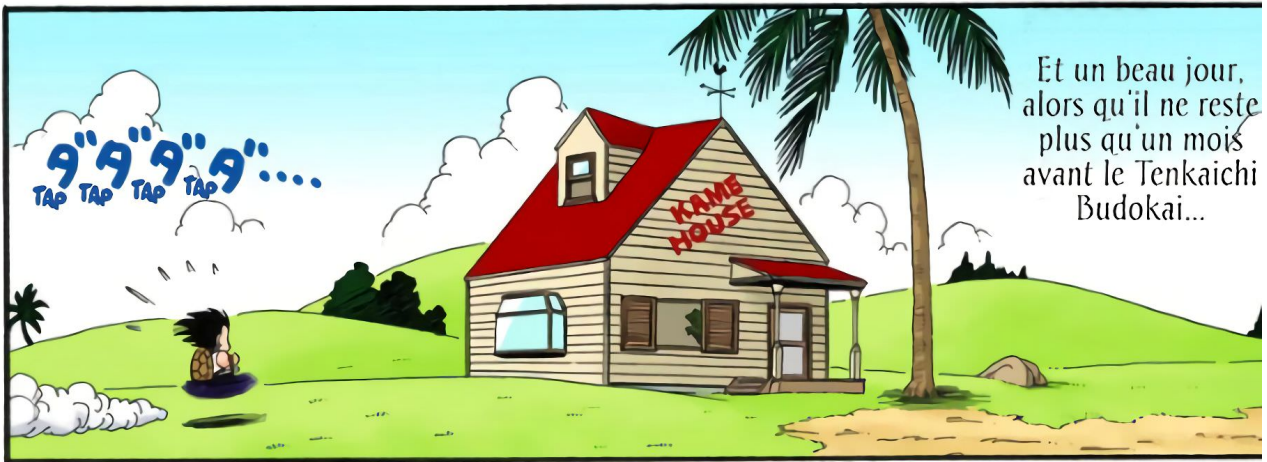

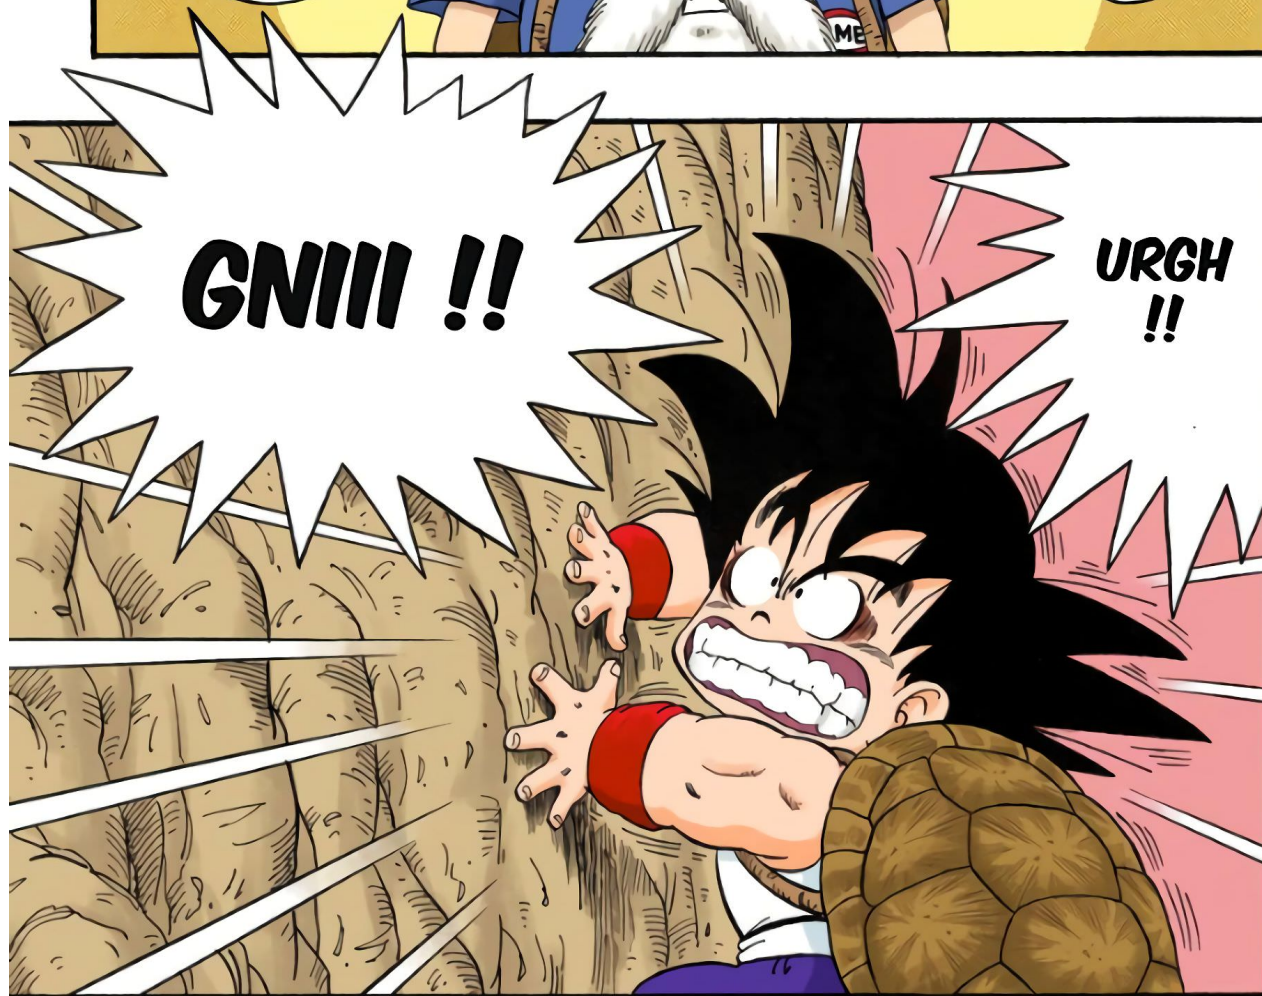

Mais Goku et Krillin
veulent devenir forts,
c'est pourquoi ils
s'entraînent jour après
jour avec ardeur.

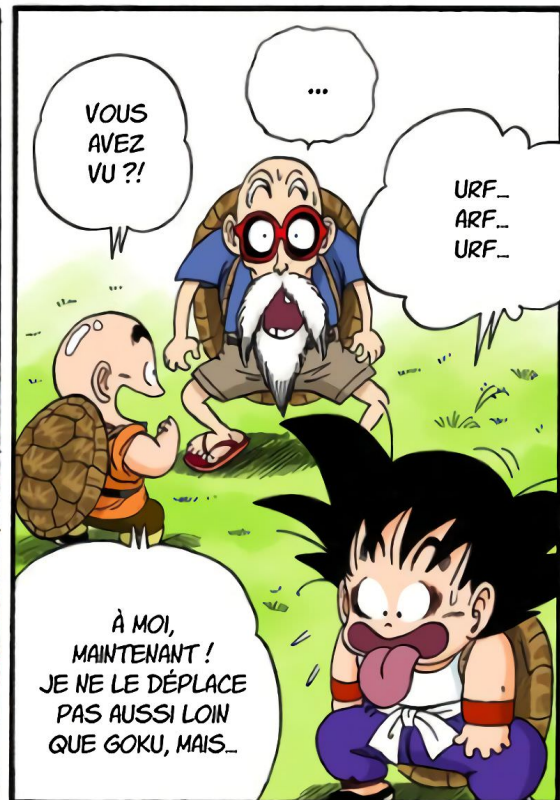

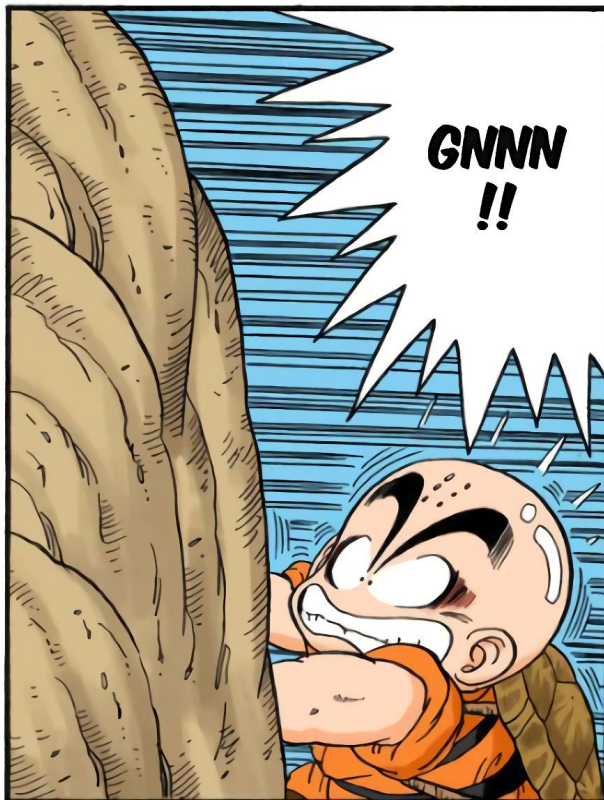

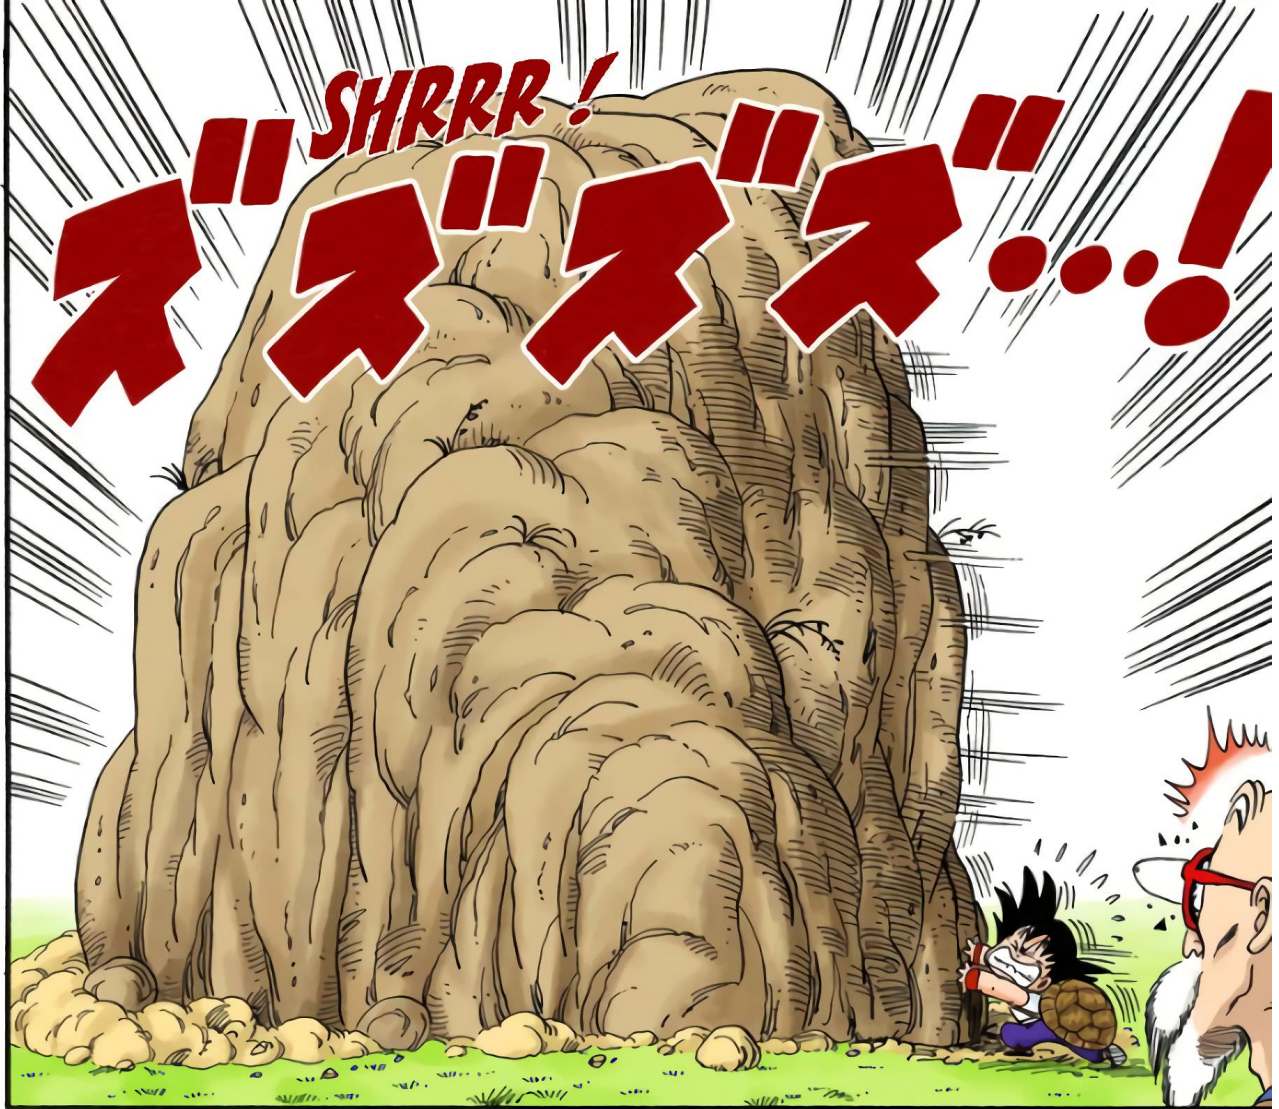

HO HISSE !
HO HISSE !

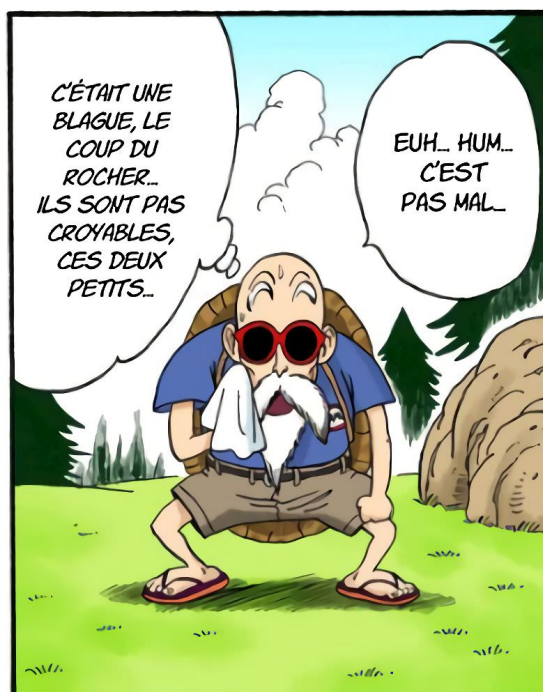

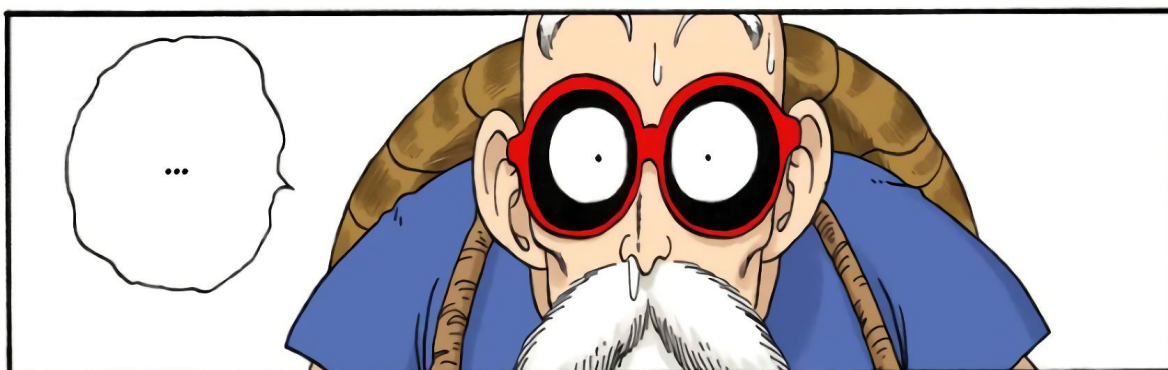

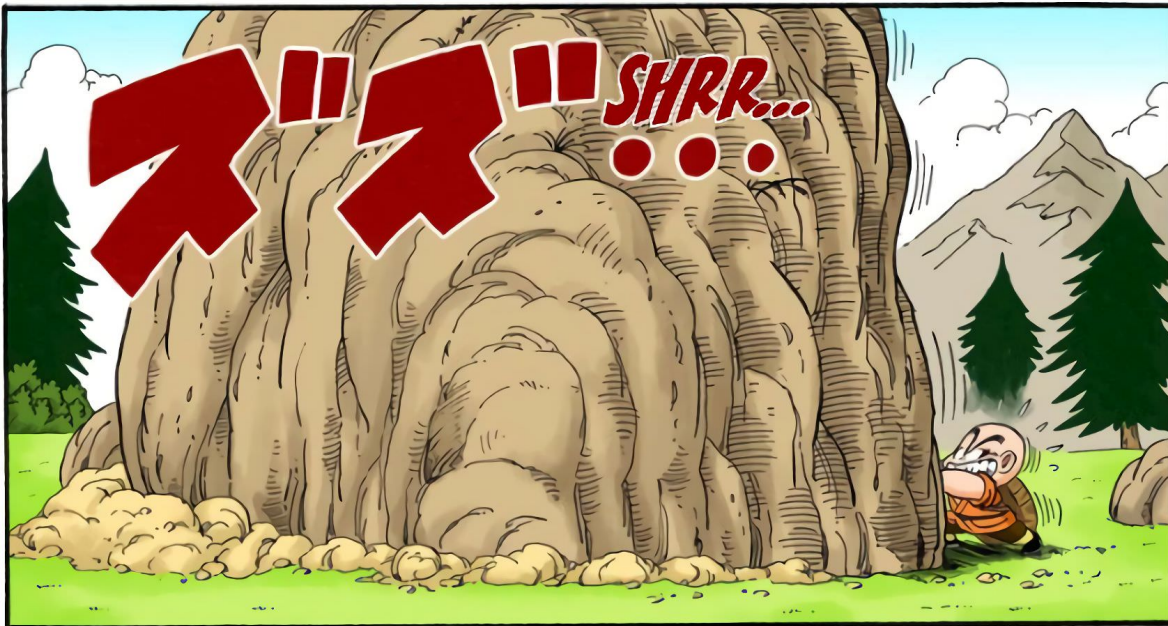

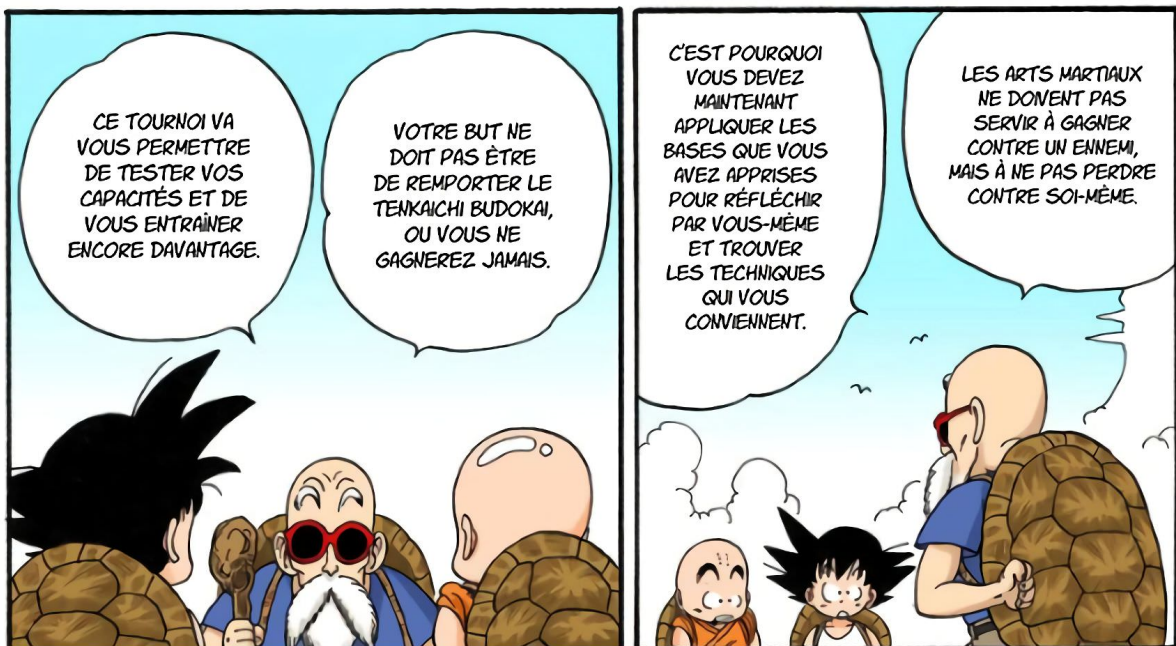

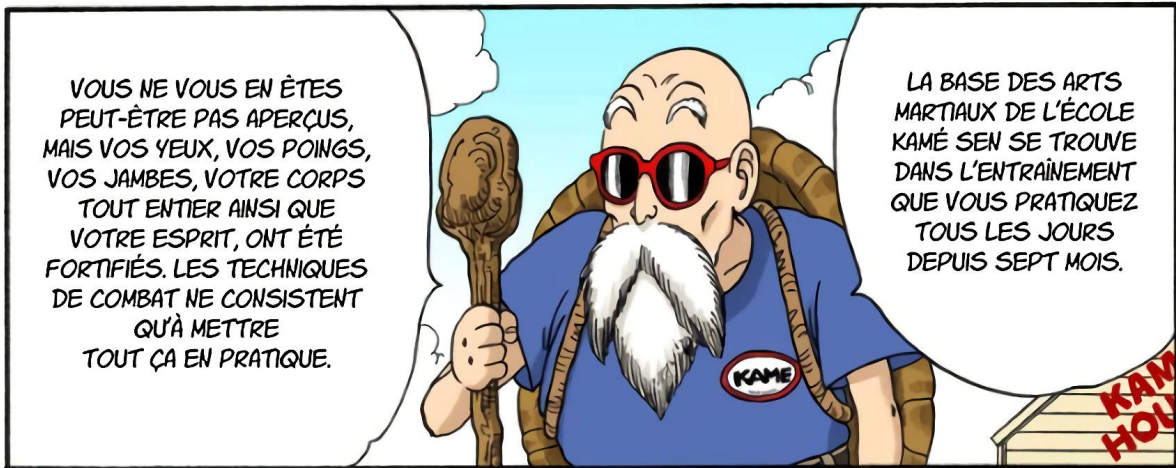

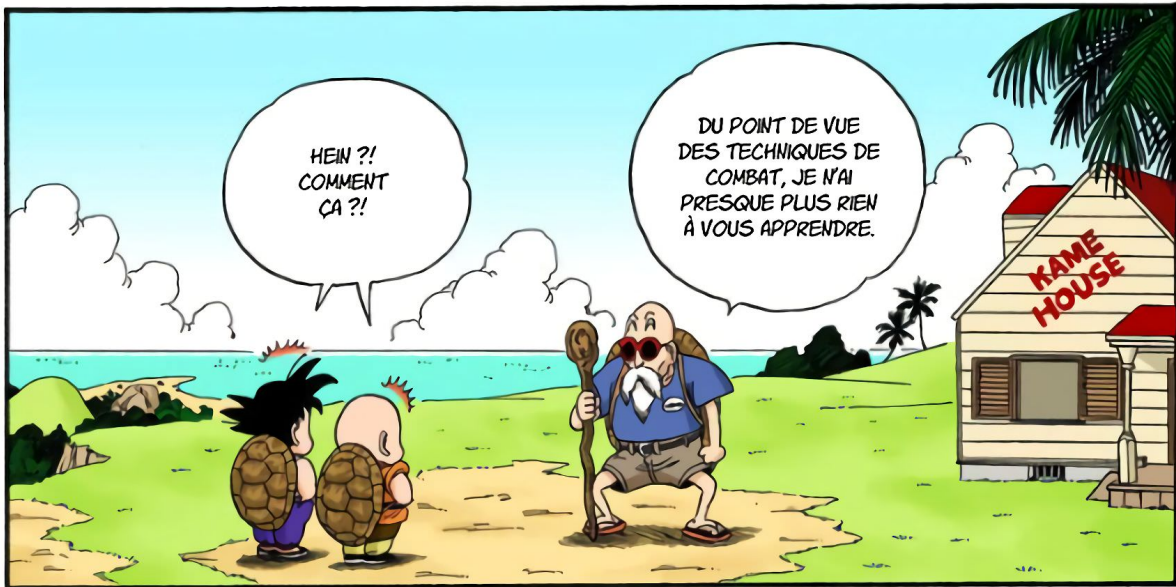

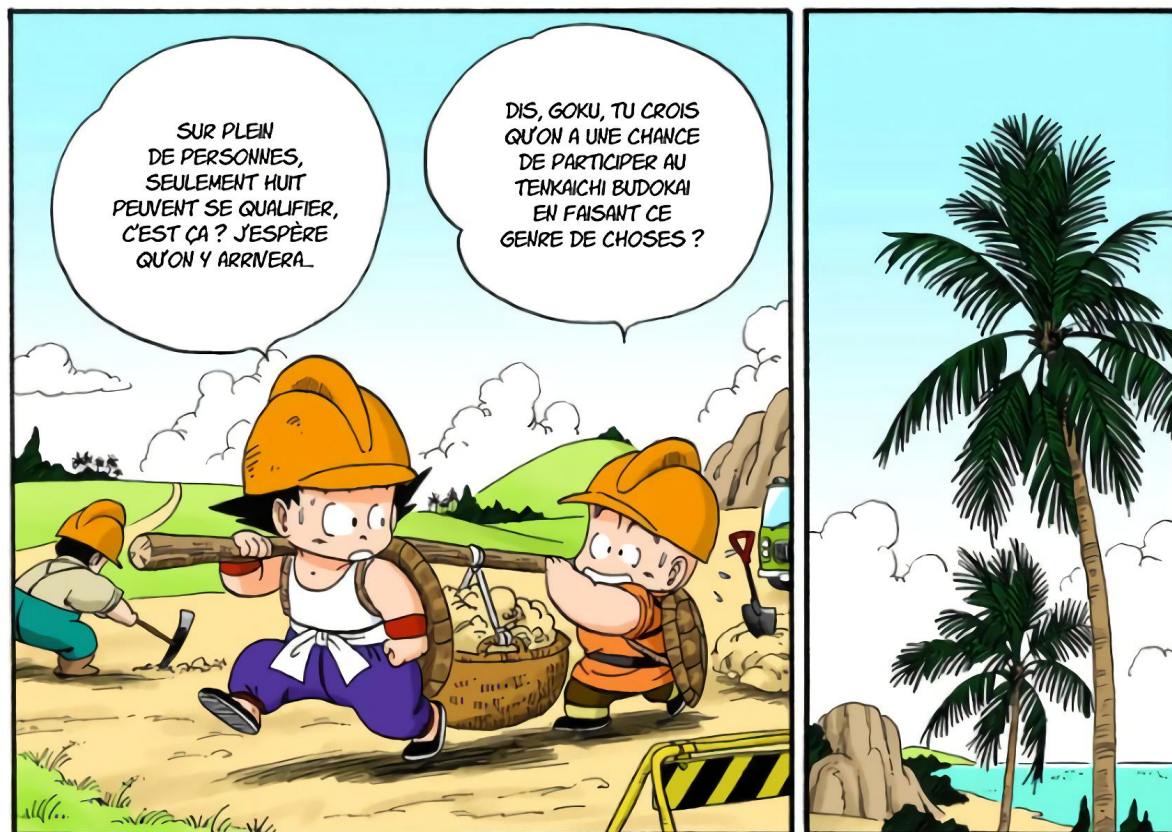

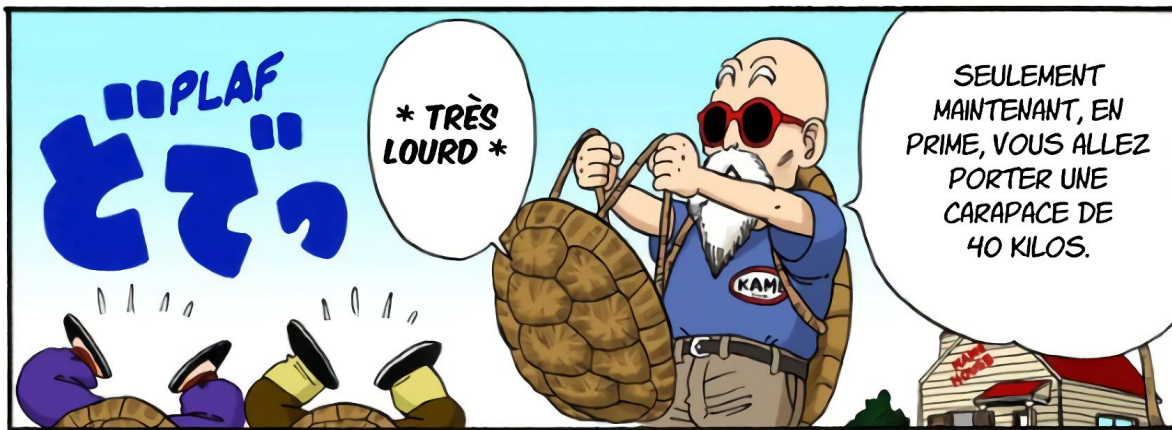

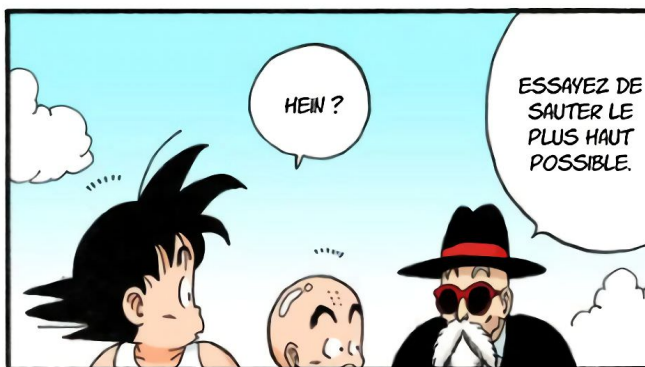

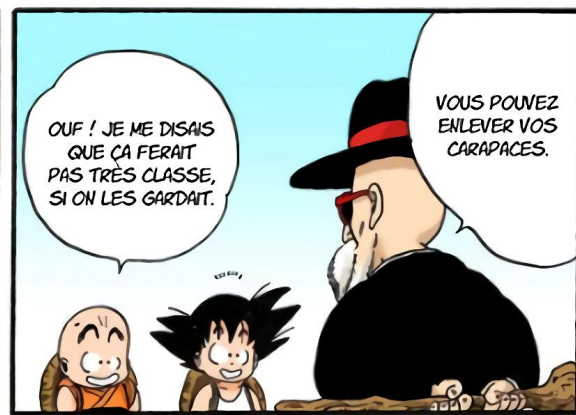

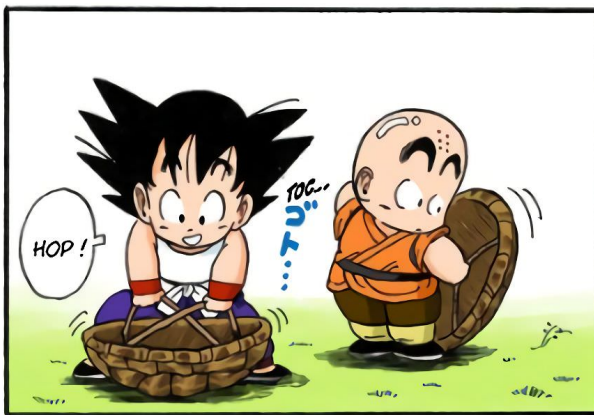

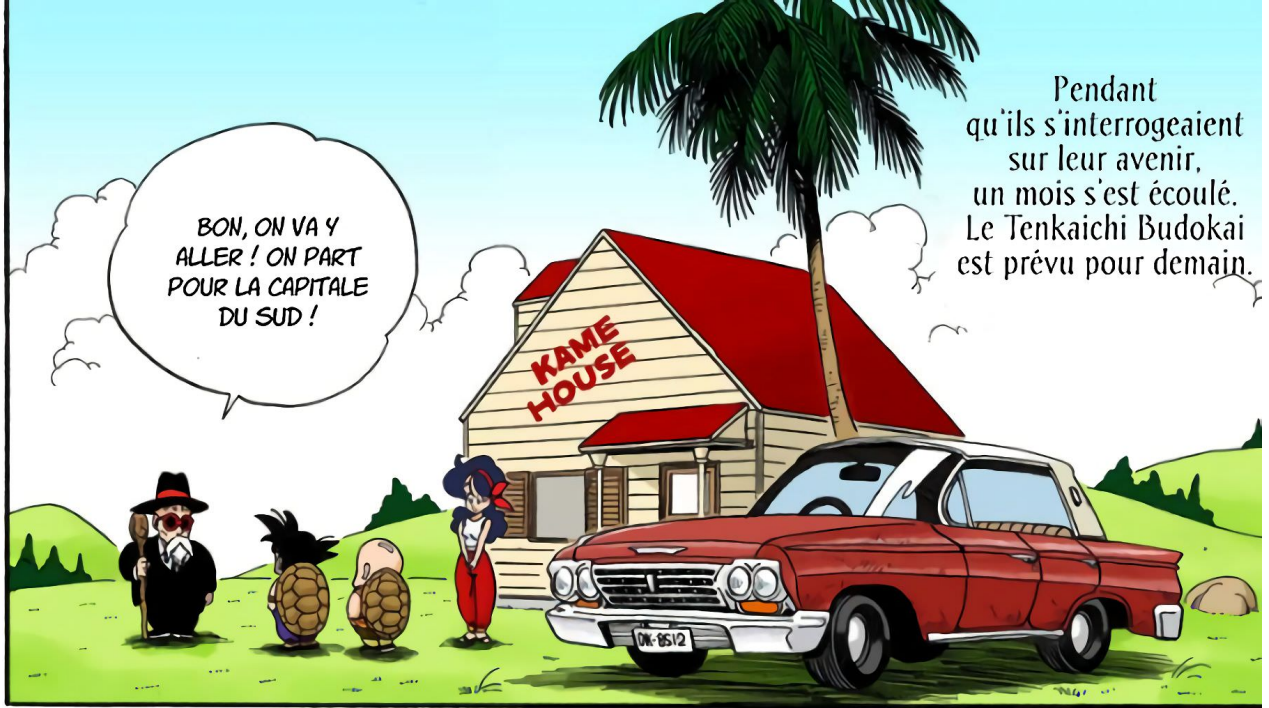

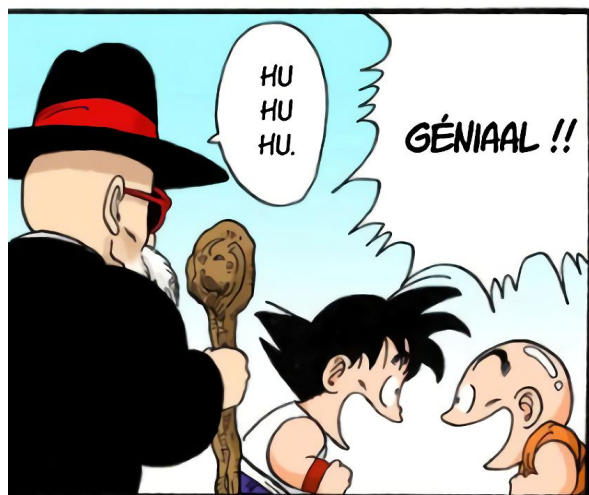

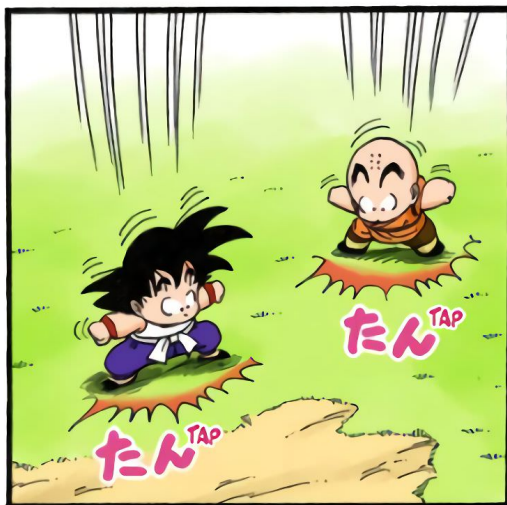

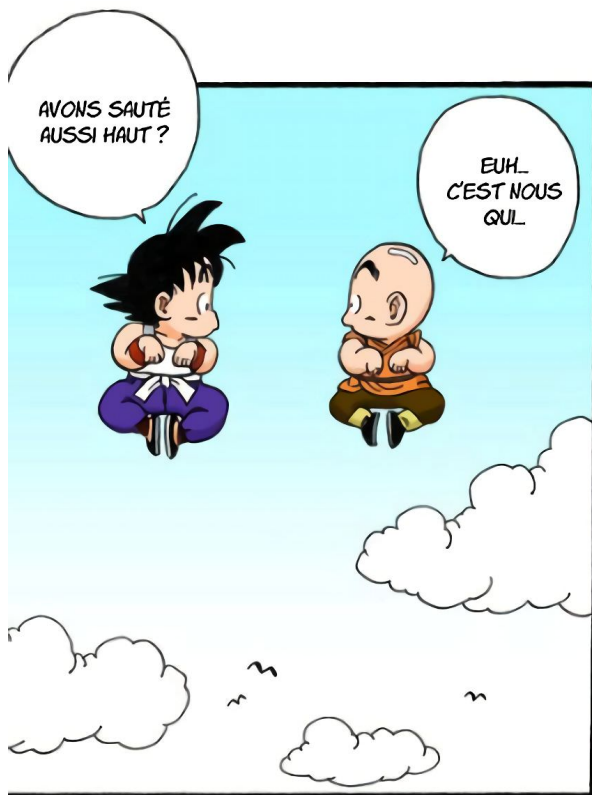

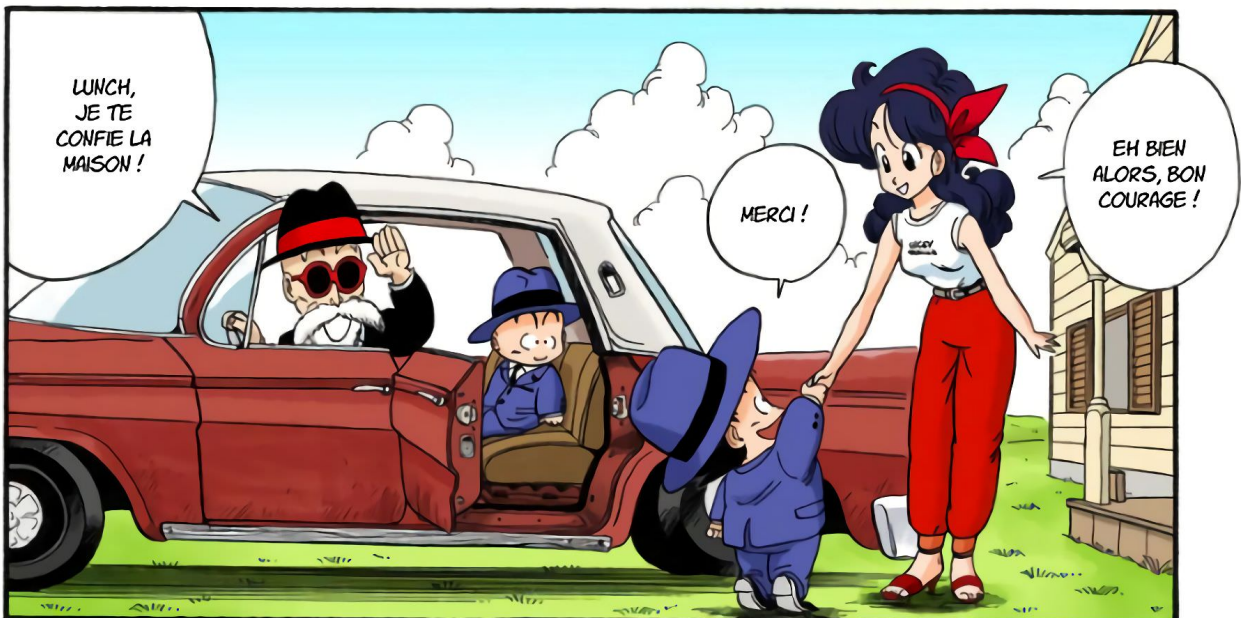

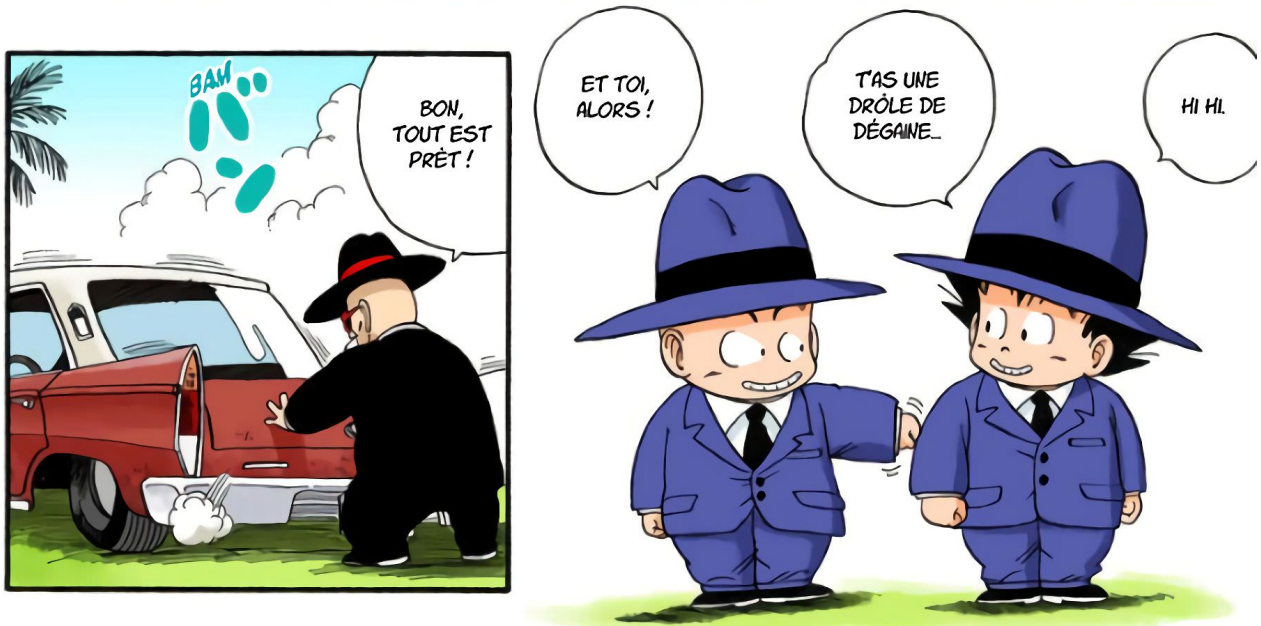

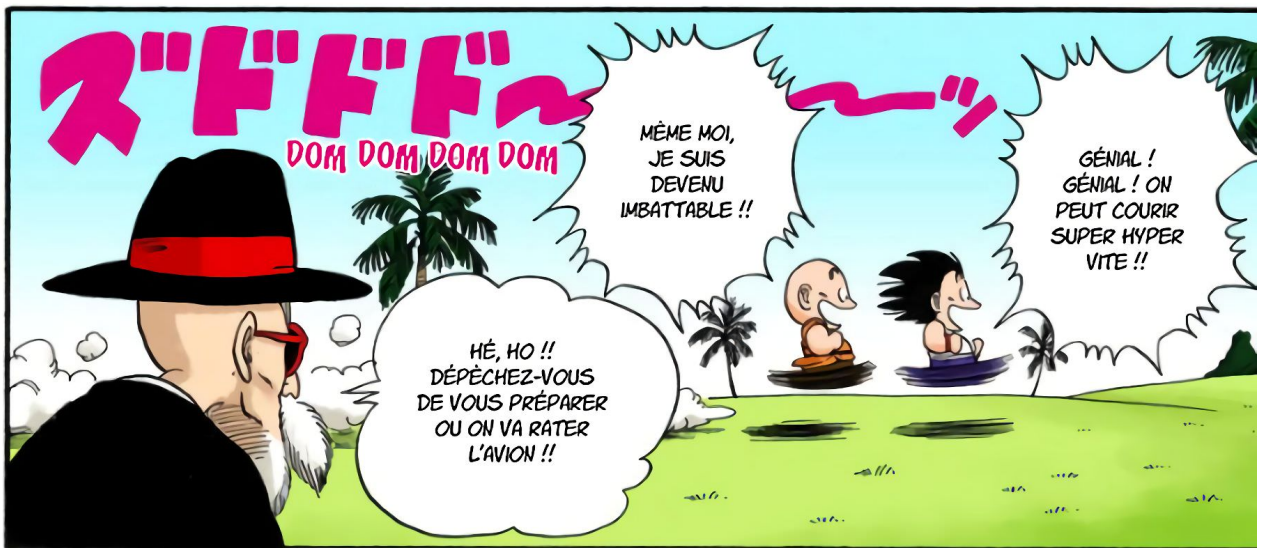

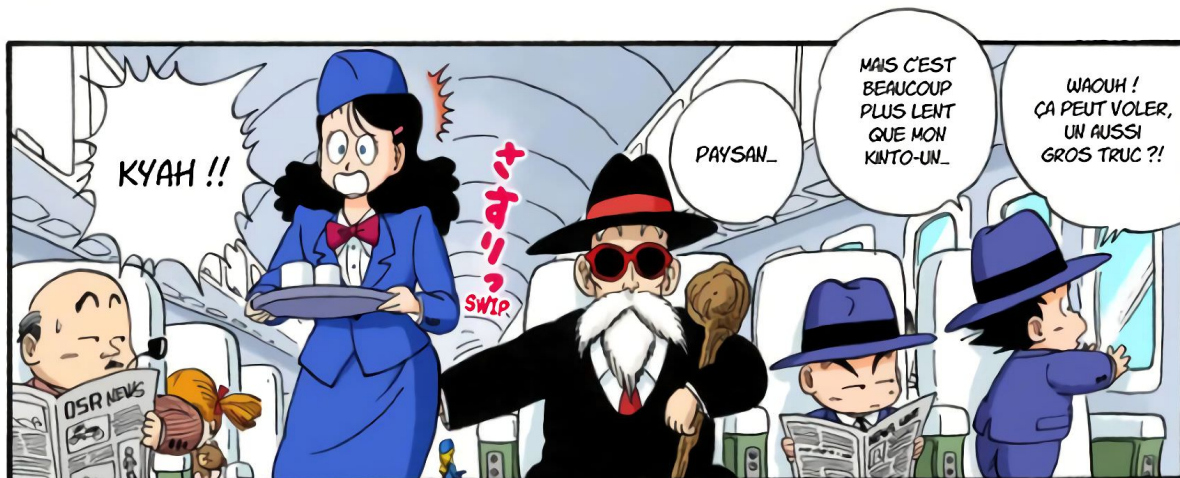

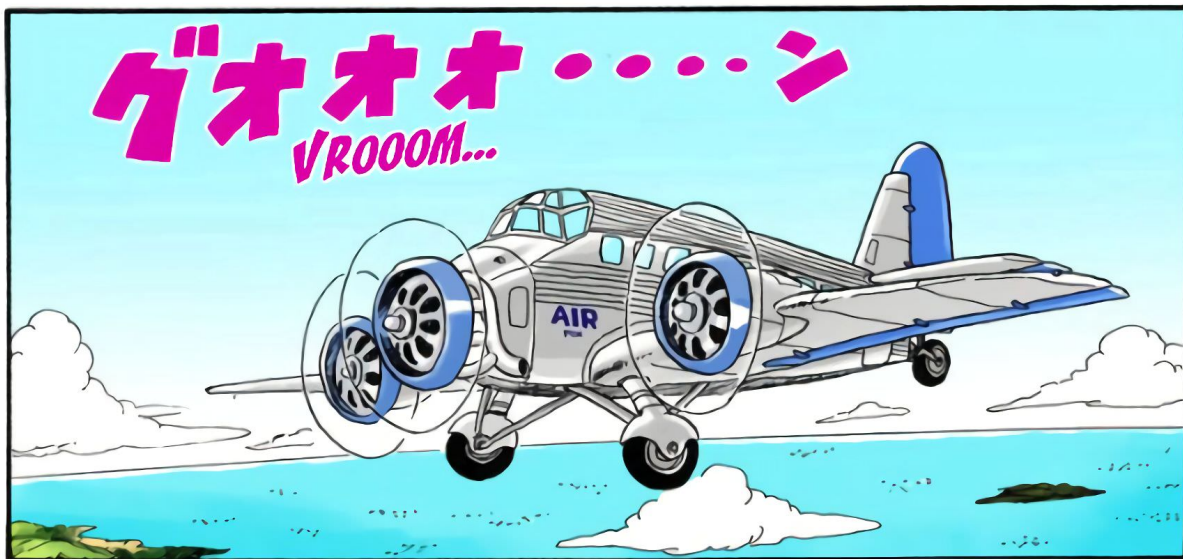

* Tenkaichi Budokai

Note : Le prénom Wayan inscrit sur la valise de Kamé Sennin ainsi que le nom de famille Budhiyasa écrit sur la manche du personnage ci-contre sont des noms typiques de l'île de Bali. Le Tenkaichi Budokai se déroulerait donc dans une Indonésie imaginaire.

→ À suivre dans le chapitre 33 : Les résultats de l'entraînement !!
